

Shower Screen Installer – Gold Coast and Brisbane

Satchells is a family owned company that manufactures and installs shower screens, mirrors, wardrobe doors, wardrobe shelving and kitchen splashbacks. We have been servicing South East Queensland for over 35 years.

We require an individual to install our products into new and existing homes throughout South East Queensland. We predominantly service new homes and units for a number of high quality, award winning builders. We also service some existing homes and renovations.

Just turn up in the morning and load your run for the day.

All calls are made to clients in the days prior to installation to arrange access, and runs are organized into areas make them as logistically sound as possible. We understand the running costs involved, so we do our best to organize the runs accordingly.

Our team pride themselves on Satchells being an industry leader in quality and service. In order to do this we understand that keeping staff happy and motivated is the catalyst in enabling them to provide quality service, and to inspire them to install our products to a consistent high standard.

To be considered for the position, you must have the following;

- PTY LTD Company or Family Trust
- Own van (must be long wheel base able to carry 2400 long)
- Own tools
- Public liability insurance
- Current drivers license
- Some industry experience (training will be provided)
- White Card

This is a great opportunity to obtain all the benefits of owning your own business whilst subcontracting to a well-established company.

Please forward your resume to info@satchells.com.au, or phone our office weekdays from 7.30am on 55946788
